

Are you an Oasis student with your own business?

Do you sell keychains, slime, etc?

Do you babysit, walk dogs, petsit, etc?

If so, we want **YOU** to be a part of our Oasis Fall Festival! It's being held on our Oasis campus on **November 16, 2019 from 4-8pm**. As is tradition, we have food, inflatables, games, grade/club booths and performances.

For the first time ever, we are inviting you, student entrepreneurs, to showcase your business. You can sell your products or promote your services. You can talk to potential clients and can get your name out there!

If you're interested in joining us during Fall Festival, please send an email to OasisFallFestival@yahoo.com with your name, your business and a brief description of the product/service you offer.

**** Booth must be ran by students only with an adult present for supervision only. Business must be a student owned business.**
