

October 8, 2019

Dear Oasis Elementary School Parents:

Let's **CELEBRATE** students that go above and beyond in the world of **READING**, with outside activities and water play, during the Fourth Quarter! **AR Fun Day** will be held on two separate mornings – K-2 on one morning and Grades 3-5 on the other. Dates will be forthcoming.

The classroom teacher will provide your child with their Accelerated Reading (AR) Classroom Goal each quarter. In turn, students who would like to attend this event will work to earn additional points beyond their classroom goal in order to receive an invitation.

For Kindergarteners, the qualifying period will take place during the Second and Third Quarters of the school year. Students must earn a total of **at least 5 AR points** between both quarters.

Students in Grades 1<sup>st</sup> -5<sup>th</sup> will be required to reach their AR Fun Day goal during the Second and Third Quarters of the school year. Students, in both Quarters, must reach 125% of their AR classroom goal with 80% accuracy.

The plan is for all students to reach their 125% goal each quarter, but if they falter during a quarter, they have another chance. **A provision** will be provided for students in 1<sup>st</sup> – 5<sup>th</sup> grades who reach their quarterly classroom goal (100%) with 80% accuracy, but do not reach 125% needed for one of the quarters. They will have another opportunity to earn an invitation to the fun filled morning by earning 150% in either quarter – with 80% accuracy.

The AR Fun Day has become a “must attend” event at OCES. Please continue to help and support your children as they work toward their goals. Periodically check on your child’s progress and discuss their strategies to reach their goals.

<b>AR Fun Day Goals</b>	Second Quarter	Third Quarter
Kindergarten	A total of 5 points between both quarters	
Grades 1-5	125% of AR classroom goal with 80% accuracy.	125% of AR classroom goal with 80% of accuracy.

<b>Provision</b>	Second Quarter Scenario	Third Quarter
Even though students naturally advance their skills each quarter, a classroom goal of 100% is required in one of the 2 quarters with 150% in the other quarter.	Did not earn 125% of AR Classroom goal, but earned 100% with 80% accuracy? See Third Quarter Provision.	This quarter, you will need to earn 150% of our AR classroom goal with 80% accuracy.

No substitution to these requirements.
