

October 23, 2017

Dear Parents of a 3rd, 4th, or 5th Grader,

Over the years, the AR Fun Day has become an annual event everyone wants to attend. This is a day filled with, crafts, water games, photo booth, disc jockey, inflatables, gaming truck, a movie, breakfast, lunch and snacks. Your child can enjoy this day if they earn their AR Fun Day Goal in both the 2nd and 3rd Quarters. The classroom teacher will provide each student with a classroom reading goal and a higher AR Fun Day Goal. Your child must meet the AR Fun Day goal **during both quarters** to receive the reward, which will take place Friday, April 6, 2018 (this date is tentative as the testing schedule may change).

Please encourage your child to meet these goals by reminding them of the importance of developing a reading schedule, while calculating and maintaining the number of points needed each week. Question your child weekly if they have reached their required AR Fun Day Goal points. If not, they will need to spend extra reading time the following week. My goal is for **all students in grades 3-5** to reach their highest goal while finding the joy in reading and earning their end reward. I am confident with your insight and encouragement your child will reach for the top and join me for this fabulous fun filled day.

Volunteers are an integral part of this event and opportunities will be communicated as the date nears.

Thank you for supporting this event by encouraging your child to read and monitoring their AR points.

Sincerely,

Mrs. R. Gamboa
