**Counting Minutes:** Fill in total minutes read by you/your child each night. At the end of the week, help your child use a calculator to add up the minutes. At the end of the month, write in monthly total. Set a goal to read at least 3 hours (180 minutes). **\*ONLY ONE FORM PER CHILD**

If your child goes beyond 180 minutes, congratulate yourselves for a wonderful job!

**Book Selection:** Help select books that are both EASY for your child and AT or ABOVE your child's reading level. You will be reading with them as a mentor when they encounter difficult words. Make sure they understand the story as you read, asking them to occasionally recap. Student will receive a button to add to their reading lanyard for completing 3 hours of reading this month.

This form must be returned no later than the first Friday of the next month. A BONUS button will be provided for reading a book together about: The Ocean or Sea Creatures. Parent must sign that child read the book.
